4 COMMITTEES

The Board of Directors can appoint one or more Committees focusing on specific tasks supporting both the Board of Directors and the Advisory Board.

There are currently four committees:

- Implementation - overseeing the open-source SCION implementation and its roadmap and governing the source code repositories <https://github.com/scionproto>
- Standardization - governing the overall direction of the SCION specifications and the evolution of the SCION protocol. It also coordinates the standardization efforts, including within external SDOs as the IETF
- Adoption - providing expertise and direction on matters relating to SCION deployment
- Marketing - coordinating and ensuring alignment of marketing and communication activities around the SCION technology.

5 EXECUTIVE MANAGEMENT AND TEAM

The members of the Executive Management are appointed and dismissed by the Board of Directors. The Executive Management is responsible for the administration of the Association's financial resources including the accounting, and for managing the employees of the Association and providing the necessary directions.
